

WORDLESS

ON THOSE DAYS
ON WHICH I CAN'T FIND THE RIGHT WORDS TO WRITE
I FEEL EMPTY INSIDE
IT'S LIKE WAKING UP AFTER A DREAMFILLED SLEEP
NO PICTURE WANTS TO BREAK OUT IN MY MIND
NOTHING IS ABLE TO GIVE BIRTH TO A DIFFICULT SITUATION
LIKE THIS THAT I HAVE TO DESCRIBE SOMETHING
THAT DOESN'T EXIST

THERE'S NO WAY I CAN PIN MY THOUGHTS TO THE WALL
TO SEE THEM ALL IN ALL...

SO I TRY
TO WRITE ANYTHING - ANYTHING WITHOUT LIFE
JUST TO FILL THE LINES
IT SEEMS THAT I FORGOT HOW TO THINK
I LET THE WORDS GO 'ROUND IN MY MIND
BUT PAPER DOESN'T CATCH THEM UP
BY HOLDING THEM TIGHT AND NOT LETTING GO
I KNOW THAT I HAVE TO DESCRIBE SOMETHING
BUT WHERE CAN I START?

THERE'S NO WAY I CAN PIN MY THOUGHTS TO THE WALL
TO SEE THEM ALL IN ALL...
